CODECADEMY

- Certificate of Completion In Python 3

February - March
COURSERA

- Certificate of Completion In IT Support

PROFILE

Aspiring and motivated Computer Engineer with hands-on experience in software development, embedded systems, and hardware design. Equipped with a strong foundation in programming languages such as Python, C++, and Java, and practical knowledge in circuit design and microcontroller programming, I am dedicated to leveraging my skills in real-world applications. My problem-solving abilities and keen interest in emerging technologies enable me to tackle complex challenges and contribute effectively to team projects. Passionate about continuous learning and professional growth, I am eager to gain further experience through collaborative projects. My commitment to innovation and excellence drives me to stay updated with the latest industry trends and advancements.

WORK EXPERIENCE

Freelancing
Graphic Designing & Videography   2018 - Present
